

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 24, 1996

SUBJECT: **SB 2233 - HB 2203**

This bill, if enacted, amends the Billboard Control Act to prohibit new outdoor advertising on parts of Interstate 140 in Knox County. The fiscal impact is estimated to be a decrease in state revenues to the extent that the state will forego future billboard permit fees. The amount of such revenue cannot be determined but is estimated to be insignificant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
